This visa lets nominated skilled workers live and work in Australia as permanent residents.

Eligibility

Have this visa

If you are in Australia at the time you apply, you must hold one of the following:

- a substantive visa
- Bridging visa A - BVA - (subclass 010) *(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/bridging-visa-a-010)*
- Bridging visa B - BVA - (subclass 020) *(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/bridging-visa-b-020)*
- Bridging visa C - BVC - (subclass 030) *(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/bridging-visa-c-030)*

If you currently hold or your last substantive visa held was either:

- Skilled Work Regional (Provisional) (subclass 491); *(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/skilled-work-regional-provisional-491)* or
- Skilled Employer Sponsored Regional (Provisional) (subclass 494) *(https://immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/skilled-employer-sponsored-regional-494)*

You must have held that visa for at least 3 years at the time you apply.

Be invited to apply

You can only apply for this visa if we invite you to. See before you apply *(/visas/getting-a-visa/visa-listing/skilled-nominated-190#HowTo)*.

Submit an expression of interest (EOI) *(https://skillselect.gov.au/SKILLSELECT/ExpressionOfInterest/PreReg/Start)* to let us know you would like to apply for the visa.

After you have submitted an EOI, you might be nominated for the visa by a state or territory government. We will only invite you to apply for this visa if you are nominated.

Be nominated

You must have been nominated for this visa by an Australian state or territory government agency.

Ask a question

Submit a completed expression of interest (EOI) *(/visas/working-in-australia/skillselect)* in SkillSelect *(/visas/working-in-australia/skillselect)*. State and territory government agencies can see your completed EOI and might nominate you for the visa.

If you are nominated for the visa, we will invite you to apply.

All state and territory government agencies have their own criteria for deciding who they will nominate. Contact the state or territory agency directly to find out more about their nomination process and what they want from you.

- Australian Capital Territory *(https://www.act.gov.au/migration/home)*
- New South Wales *(https://www.nsw.gov.au/visas-and-migration/skilled-visas/skilled-nominated-visa-subclass-190)*
- Northern Territory *(https://theterritory.com.au/migrate/migrate-to-work/northern-territory-government-visa-nomination)*
- Queensland *(https://www.migration.qld.gov.au/)*
- South Australia *(http://www.migration.sa.gov.au/)*
- Tasmania *(http://www.migration.tas.gov.au/)*
- Victoria *(http://www.liveinvictoria.vic.gov.au/)*
- Western Australia *(http://www.migration.wa.gov.au/)*

If the state or territory agency that nominates you withdraws your nomination after you have applied, your application becomes invalid.

Have a suitable skills assessment

For your application to be valid, you must declare that you have a suitable skills assessment *(/visas/working-in-australia/skills-assessment)* at the time of invitation.

Delegates of the Minister will now accept a suitable skills assessment for an applicant's nominated skilled occupation which has been obtained within the 60 day invitation period.

This change of approach is made as a result of the decision of *Thapa v Minister for Immigration, Citizenship, Migrant Services and Multicultural Affairs* [2021] FCCA 686 (*Thapa*). The Minister will administer the Migration Regulations 1994 in accordance with the decision in *Thapa*, but the Minister reserves the right to make submissions in a Court that *Thapa* was wrongly decided.

You will need to provide a copy of this skills assessment with your application.

For medical and legal practitioners, we also accept the following as proof of a skills assessment:

- full or unconditional or general medical registration with the Australian Health Practitioner Regulation Agency
- conditional specialist registration with the Australian Health Practitioner Regulation Agency. This only allows you to practise in your speciality. You need no further training or supervision
- admission to practice law in the relevant state or territory

Your skills assessment must have been obtained in the 3 years before the date of your invitation. If the assessment was for a shorter period, that period must not have passed.

If your skills were assessed on the basis of a qualification you got in Australia when you held a student visa, the qualification must be from studying a course registered on CRICOS.

Be this age

You must be aged under 45 when we invite you to apply for the visa.

You can still apply for the visa if you turn 45 **after** we invite you to apply.

If you turn 45 after you submit your EOI but **before** we invite you to apply, you will not be invited to apply.

Be able to score 65 points or more

The subclass 190 is a points-tested visa.

When you submit your EOI in SkillSelect you will be given an indicative points score based on the claims you have made. If you do not obtain a score of 65 points you will not be invited to apply for this visa.

If we do invite you to apply for the visa, your invitation will state the number of points that you must score when we assess your application for grant of the visa (this score may be higher than 65 points, depending on your claims in the EOI).

When you lodge your application you must provide evidence supporting your claims.

To check how points can be awarded refer to the points calculator *(/help-support/departmental-forms/online-forms/points-calculator)*.

Have this level of English language

At the time of invitation, you must have at least competent English *(/help-support/meeting-our-requirements/english-language/competent-english)*.

Meet the skills requirement

Your occupation must be on the relevant list of eligible skilled occupations *(/visas/working-in-australia/skill-occupation-list)* for the 190 Skilled Nominated visa

Meet our health requirement

You and any family who apply for the visa with you must meet our health requirement *(/help-support/meeting-our-requirements/health)*.

If requested, family members not accompanying you to Australia might also need to meet our health requirement.

Meet our character requirement

You and family members aged 16 years and over who apply for the visa with you must meet our character requirement *(/help-support/meeting-our-requirements/character)*.

Family members not accompanying you to Australia must also meet the character requirement.

Have paid back your debt to the Australian government

If you or any family members (including those who do not apply for the visa with you) owe the Australian Government money, you or they must have paid it back or arranged to pay it back.

Sign the Australian values statement

If you are 18 years of age or older, you must:

- have read, or had explained to you, the Life in Australia *(/help-support/meeting-our-requirements/australian-values)* and
- confirm you will respect the Australian way of life and obey Australian laws when you sign an Australian Values Statement *(/help-support/meeting-our-requirements/australian-values)*

Meet all these criteria? Check how to apply in our step by step *(#HowTo)* guide.
